PHOTOGRAPHY GUIDELINES

GUIDELINES AND REGULATIONS FOR PHOTOGRAPHY AND COPYRIGHT

It is a condition of admission to Shenington Kart Race Circuit that photography, cine-film, video, sound, or any other video or audio use, including making copies of the recording or reproduction, causing it to be seen or heard in public, broadcasting, diffusing, selling, renting, exchanging, lending, using for gain or even at no cost or otherwise dealing with it in whole or in part is strictly forbidden unless written permission is given by an official of the club. (For such permission in advance write to the Secretary of the Club, this will only be granted for bona fide photographers holding appropriate public liability insurance, and for the purpose of photographing a particular individual or team by a recognised media outlet supported by a written letter from the editor. The club has agreements with regular photographers for commercial sales and this will be publicised in results pages or by social media).

The use of privately owned camcorders or video recording devices, or stills cameras for private viewing purposes only is permitted by the circuit owners without prior permission. Such photography or video may only be taken from outside the perimeter fence of the track. Caution should be taken when photographing or video'ing minors and reference made to Child Safeguarding guidelines. It is not necessary to pre-register for photography. It should be noted that when countersigning as parents/guardians/guarantors of minors they agree that they have no objection to still or moving images being taken of the driver / volunteer official undertaking their sporting activities. Small numbers of personal photographs may however be shared on social media so long as there is no intent of commercial purpose.

It is permitted to use an on board camera during practice days with the permission of a scrutineer to assess the security and fitment of the device. Such permission will not be given for race days, unless such is included in the championship regulations (e.g. British Championship cameras for media or judicial purposes) or otherwise exceptionally permission is given in writing by the Chief Scrutineer and Clerk of the Course. Helmet cams are never permitted under any circumstances.

COPYRIGHT INFRINGEMENT

Furthermore Shenington Kart Racing Club Ltd reserves the right to confiscate and retain possession of any photographs or films or videos made in breach of this condition and without express consent in writing.

If in doubt about our regulations please ask an official for clarification!
