

SOCIAL MEDIA POLICY – SHENINGTON KART RACING CLUB

To protect all Club Members, Officials, Marshals, competitors and their families and associates of Shenington Kart Racing Club, the Club will not tolerate any form of abuse or harassment made against any individual or entity on any Social Media Network (such as Facebook, Instagram, Twitter/X, chat rooms, forums etc).

Any dialog thought to be inappropriate will be reviewed by the Club's committee and further actions may be taken (including rescinding of SKRC membership), invoking Race with Respect or reporting the details to Motorsport UK.

This does not in any way prevent you from having your say. Constructive and sensible comments in relation to the Club are always welcomed and should be directed directly to SKRC's Club Secretary, at secretary@sheningtonkrc.co.uk
